2021 COVENANT PARTNER REPORT

A Letter From Kenneth & Gloria

TOGETHER, WE ARE VICTORY!

Acts 4:32 tells us, “The multitude of them that believed were of one heart and of one soul.” They were working TOGETHER in unity, faith and power. Working together in partnership for the kingdom of God produces tremendous results.

We realize ministering to people around the globe with the uncompromising Word of Faith cannot be done alone. We are able to fulfill this worldwide mandate because of our faithful Partners like you.

People everywhere need to know how to stand in faith on God’s WORD during these challenging times. That is exactly what you helped us do in 2021.

We have witnessed more people than ever responding to the preaching of God’s WORD. We have also heard about the extraordinary victories of our Partners. Your partnership made that possible.

The LORD said 2021 would be the Year of the Local Church. In spite of every opposition, the Body of Christ rose to the occasion and proved the Church could not be defeated. 2021 was a year of victory for Kenneth Copeland Ministries, Victory Channel,[™] Eagle Mountain International Church and Kenneth Copeland Bible College.[®]

Everything you are about to read about 2021 is a result of our partnership. Together, we preached to the world. Together, we overcame COVID. “TOGETHER, WE ARE VICTORY.”

The LORD revealed that 2022 would be the year of correction, direction, protection and perfection—in spirit, soul and body, in finances, churches and government. Stay in a place of overcoming faith throughout this year. Be strong in The LORD. Continue to stand firm on The WORD, and let’s continue to work TOGETHER!

We love you, Partner. You are on our hearts and in our prayers every day. That is why we will never stop reminding you that God loves you, we love you, and...

JESUS IS LORD!

Kenneth & Gloria Copeland

THE POWER OF TOGETHER

Every testimony, every victory, every outreach you see in the pages of this report is possible because YOU give so generously to the kingdom of God. Partner, we are honored to take the gospel around the world TOGETHER with you.

With so much opposition to the assembling of Christians around the world, it's no wonder God was calling on the Church to rise up! And rise up we have. Those who had become dormant were awakened. Those who had been discouraged were empowered. A spirit of restoration has moved upon God's people with a strong faith that overcomes the world.

The Church has done just what God designed us to do—live to be a light bursting forth in the darkness.

Read the 2021 word of the Lord in full—including divine healing, health, prosperity and recovery for God's people—at kcm.org/2021WOL.

Everything you will see on the pages of this report is possible because you give so generously to the kingdom of God and because you faithfully stand with us in prayer. Every day, around the world, TOGETHER, we are VICTORY! TOGETHER, we are reaching the world with the uncompromised healing, delivering, prospering power of the Word of Faith. **We love and appreciate you!**

A Letter From Pastor George Pearsons

Dear Partner,

As you can see, the theme of our 2021 Covenant Partner Report is *Together, We Are Victory*.

All of us here at Kenneth Copeland Ministries are so grateful for our Partners. We appreciate your support in helping us fulfill our God-given mandate to preach the Word of Faith around the world.

Philippians 1:3-6 is a perfect description of how we feel about you. Paul wrote, "Every time I think of you, I give thanks to my God. Whenever I pray, I make my requests for all of you with joy, for you have been my partners in spreading the Good News about Christ from the time you first heard it until now. And I am certain that God, who began the good work within you, will continue his work until it is finally finished on the day when Christ Jesus returns" (*New Living Translation*).

I encourage all of our staff members to pray for you before we conduct our business meetings. There have been many times when my executive team and I have interceded for the things going on in your life that we are not aware of. We receive Communion often and praise God for all you do.

This is my 46th year at Kenneth Copeland Ministries. We have experienced some exciting times over the years. But what is happening now is so far beyond what we have ever seen. These are the greatest days of outreach we have ever seen. And you are a vital part of every broadcast we produce, every meeting we hold, every church service we conduct and every student who attends Kenneth Copeland Bible College®.

All that to say, we have such a wonderful awareness of our Partners' participation in all that takes place at KCM.

Thank you for everything you do. As you read through this report, remember that you will receive credit in heaven for every soul saved, every word preached and every ministry mission accomplished.

Together, we are getting the job done.

JESUS IS LORD!

OUR FLAGSHIP PROGRAM: ***BELIEVER'S VOICE OF VICTORY***

"I am coming so soon...I want this noncompromising message of faith on every available voice."

—word from the Lord to Kenneth Copeland in 1976

Founded on the *every available voice* mandate in 1976, the *Believer's Voice of Victory* radio broadcast quickly became the fastest growing religious broadcast in radio history. With so many struggles in the world and in their personal lives, people were drawn to the chance to have a voice—a voice of victory—found in God's Word.

From Radio to Television

Moving from radio to television might seem easy, but it's no small feat! And it's expensive. But the mandate God gave Brother Copeland to go on every available voice wouldn't let him quit. "We didn't have a dime, but we had faith," he said of the transition. The rest is history...

42 Years and Counting

The *Believer's Voice of Victory* television broadcast has been airing since 1979. Each year brings a host of new and exciting guests along with faith-building teachings that have changed the lives of millions of people around the world. We're delighted, as testimonies of healing, prosperity and restored relationships come pouring in!

In 2021, Kenneth and Gloria Copeland and their special guests ministered to viewers about *Possessing Your Promised Long Life, Love: The Gateway to Your Success, The Power of Covenant Partnership, Living in the Overflow, Understanding God's Timing* and so much more. Plus, over the course of nine weeks, Kenneth Copeland and Professor Greg Stephens took a deep dive into the benefits that come from your covenant with God.

TOGETHER, we are taking the uncompromised Word of Faith from the top of the world to the bottom and all the way around the middle. TOGETHER, we are bringing the VICTORY that comes from faith in God and His Word!

FLASH POINT

One of VICTORY Channel's top-rated programs, *FlashPoint*, is moving at the speed of faith!

Shortly before the 2020 elections, Kenneth Copeland desired to create a VICTORY original program that discussed the pertinent issues facing America in the spirit of faith. Within 24 hours, *FlashPoint* was born.

TOGETHER, with the generous support of our Partners, *FlashPoint* is reaching a new audience around the world. Non-Christian conservatives and believers unfamiliar with VICTORY Channel are watching. Through *FlashPoint*, many have become viewers of the other faith-filled teachings on VICTORY. *FlashPoint* was their starting point into a life in Jesus with their own voice of victory—glory to God!

Each episode is hosted by Gene Bailey. His regular guests include the political and prophetic voices of Hank Kunneman, Mario Murillo and Lance Wallnau.

Join them, along with their special guests, Tuesdays and Thursdays at 8 p.m. ET/7 p.m. CT, for a spiritual perspective with both factual and scriptural accuracy.

SOUTHWEST BELIEVERS' CONVENTION

Aug. 2-7, 2021

The Southwest Believers' Convention is a total faith-immersion experience. This power-packed week was filled with nonstop, daily sessions from seven on-fire ministers. They know what it means to live by faith, even in the most challenging of circumstances.

This year ushered in a fresh anointing with speakers Kenneth Copeland, Terri Copeland Pearsons, Jerry Savelle, Jesse Duplantis, Creflo Dollar, Keith Moore and Bill Winston. Attendees enjoyed Spirit-filled worship and evangelism training! *Prayer Everywhere LIVE* was hosted by our own Pastor Terri Copeland Pearsons, and Healing School on Saturday concluded our week with a great move of the miraculous.

Attendees and VICTORY Channel viewers renewed their minds to the truth of God's Word. They also received greater revelation into advanced Kingdom concepts and principles. Many received healings, deliverances and supernatural breakthroughs.

Between sessions, attendees shopped a fun new array of Southwest and VICTORY merchandise. They enjoyed some Texas-style excitement—which included armadillo races and a western band. It was a family fun time for everyone!

Thousands of in-person attendees, nearly half a million online/network viewers, and 113 nations were represented. The 2021 Southwest Believers' Convention was a time of refreshing and inspiration. It was truly an event to remember!

Brother Copeland's Partner Wall

Brother Copeland prays for our KCM Partners every day. He wants to see all your shining faces while he does! He began collecting Partner pictures and now has them scroll through on a continuous loop on a monitor in his home office. This year at SWBC, we set up photo booths to allow Partners to take pictures to be added to the wall. Approximately 1700 pictures were added!

If you're a Partner and we don't have your picture, please submit it at kcm.org/partnerphotos, so it can be added to the wall.

Partner Testimony

I called the prayer line for help as I had been drinking, my historical response to strife in my family. A few minutes after the call I felt a freedom from the desire to drink and I started praising God and thanked Him throughout the night. The next day, I turned on *Victorious Living* and the Detroit Victory Campaign was on. Brother Copeland was speaking about strife, which has furthered my deliverance! Praise God and thanks to KCM, I am now free from alcohol and strife!"

Special Events

TOGETHER, you help us make sure that faith never stops! There is never a moment when helping you achieve VICTORY isn't on our hearts and minds. That's why you'd be hard-pressed to find a time when we aren't taking this Word of Faith from the top of the world to the bottom and all the way around the middle!

Feb. 26, 2021

Lockdowns, quarantine and confinement continued in 2021, but that did not stop the healing power of God. For the first time, Billy Burke led a virtual healing service on VICTORY Channel. Hosted by Dr. Gene Bailey and Pastor George Pearsons, it turned out to be a very special night of healing and miracles. Partner, you helped open doors for miracles to manifest.

“

I was watching A Night of Healing with Billy Burke...praise the Lord, He healed me of diverticulosis and healed my mouth. I'm growing better and better every day in the Name of the Lord!”

Miracles on the Mountain

Ministers' Conference

Jan. 19-21, 2021

In January, we held our 2021 Ministers' Conference. This invite-only event is held specifically for full-time, KCM Partner ministers and ministries. The Word preached encouraged, recharged and refreshed those precious world-changers who labor alongside us in the Lord's work. During this three-day meeting, 16 premier Word of Faith speakers poured out rivers of revelation from God's Word. As a result, the ministers were strengthened to continue the work ahead. They left excited and full of faith for what God is doing in their ministries and in the Body of Christ!

EMIC Sunday Service, April 11, 2021

In Tribute

In April, we had the honor of hosting the late Marcus Lamb, founder of Daystar Television Network, along with his wife, Joni, and the Daystar singers. An evangelist, visionary and pioneer, Marcus served our Lord well, and we surely miss him. Even so, we rejoice because he is now experiencing the ultimate victory with our Lord Jesus!

Events

Faith never stops on the Mountain! With all that's going on in the world, people are hungry for the Word of God in an atmosphere filled with hope, supernatural peace and overflowing joy. Whenever you need a faith boost or encouragement during challenging times, we're here for you. Here are some of the events you helped us provide to attendees from around the country.

Not Without HOPE

Oct. 24-27

EMIC welcomed Mark and Trina Hankins for a four-day, Spirit-led event on the Mountain! With 2800 attending in person, as well as a large online audience with 62 countries and territories watching, hope was restored in this atmosphere of on-fire faith!

July 4th Celebration

Faith. Family. Fireworks.

That's what our July 4th celebration was all about! With more than 1300 people in attendance, this was not only a celebration, but an outreach to the community. Our evangelism team went door to door inviting people to join us for this special time. TOGETHER, we saw 55 salvations, three rededications, 23 people filled with the Spirit, and 12 healings!

Fall Fest

Oct. 31

Fall Fest was another opportunity for EMIC to be the Church to our community. We provided a safe, faith-filled atmosphere with hayrides, a petting zoo, food trucks and more!

Student Ministries

At EMIC, we take seriously the call to invest in the next generation of believers. These children will one day lead the charge in the fivefold ministry, the business world, home, schools and anywhere else they choose to live a life of faith before the world. Our mission is to equip young people in faith to answer the call of God on their lives.

Superkid Academy (SKA) Grades 1-5

At Superkid Academy, children not only hear the Word of God, but they also learn to be doers of the Word! It is not unusual to hear of children receiving the Baptism in the Holy Spirit or laying hands on one another to receive healing. The childlike faith that Jesus talked about flows freely here, and these children truly are operating as Superkids!

SKA Camp

In an atmosphere of faith, 110 campers gathered together, resulting in 13 salvations, six Baptisms in the Holy Spirit, and reports of children having visions of Jesus and heaven!

Superkid VBS

This year's Superkid VBS was a huge success! We welcomed 222 children (our highest number yet!), including an entire day care with kids who had never been to church before. This super-fun event brought in a wonderful harvest for the Kingdom with 56 salvations and 58 Baptisms in the Holy Spirit. Glory to God!

Be sure to check out our Saturday morning Superkid broadcast airing on YouTube, Facebook and Instagram!

Salvations, healings and Baptisms in the Holy Spirit are common occurrences in Superkids. Here are just a few testimonies:

A child with glasses believed for healing in her eyes. She had an eye exam, and her vision is now 20/20!

One child had bumps on his skin, and they totally disappeared while watching Billy Burke minister healing.

Another child's fingers were crackling and hurting, but during service, she was healed and reported no more pain!

Some Superkids prayed for a fellow Superkid's ankles that were hurting. After praying, she reported that she could run and jump!

14forty Grades 6-12

Throughout the year at EMIC, as well as at the Southwest Believers' Convention, 14forty equips middle school and high school students to live 1,440 minutes of every day, all for the glory of God. In 2021, we met that mission in full force!

14forty Spring Retreat

EMIC welcomed 131 youth (ages 13-18) representing 15 churches from nine states for this life-changing experience. Deliverances from suicidal thoughts, anxiety and depression, along with healings and a move of the Spirit came upon this group in a powerful way. Two campers experienced a creative miracle when visible scars from self-harm disappeared on the spot. Glory to God!

In 2021, 14forty:

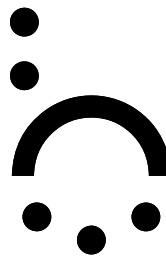

Hosted two active campus clubs on local school campuses

Streamed online broadcast via Facebook, Instagram and YouTube

Established a creative arts small group to train students how to use their gifts for God's glory in the areas of drama, dance, art, creative writing and worship

Hosted biweekly prayer calls for teachers

Assisted with church outreach events

The BRIDGE: Young Adults Ages 18-30

The Bridge is a powerful and active group for young adults to learn an uncommon faith, build community, and walk in victory TOGETHER!

Holding a total of three weekly services at different locations, young people representing six colleges across the metroplex attend to worship, fellowship and hear the uncompromised Word of Faith.

In 2021, The Bridge actively reached college students by holding weekly gatherings for worship, the Word and FREE coffee at coffee shops close to local college campuses. These powerful times together saw many answered prayers, healings and victories!

In 2021, The Bridge:

Launched a mobile app, which includes a devotional series, with 320 downloads

“ In February 2020, I called the KCM prayer line for agreement regarding a new job for my son. Even during this time of COVID-19, he had several interviews, received some job offers, and accepted a position with an established company. It makes my heart sing with gratitude to see how excited and happy he is. Praise God! I’m so thankful for the KCM prayer line.”

Prayer Everywhere LIVE

EMIC Pastor Terri Copeland Pearsons ensures that every KCM meeting is bathed in prayer just before it begins, as well as through prayer calls throughout the year. Her passion to see strongholds broken and the power of the prayer of agreement ignited in the Body of Christ is nothing short of inspiring!

“ My husband fell on ice and hit his head. He blacked out; when he came to, he couldn’t move and thought he was going to die. Then, he was pushed onto his side and was instantly able to draw a breath and move. No one had touched him—his shoulder just lifted off the ice, and then he was rolled on his side. (Before he went out, I prayed for angelic protection.) When he got home, I called KCM. A prayer minister and I agreed in prayer that he didn’t have any broken bones or brain injury. The swelling on his head started to go down. When the roads were clear, he got X-rays. The report was exactly what we had agreed: no broken bones or brain injury.”

First of All Prayer Wall

In obedience to the directive in 1 Timothy 2:1-3, KCM’s “First of All Wall” in our Partner Service Center reminds us to pray first of all for our leaders. The wall features large, full-color photos of federal and state elected officials. Our staff, prayer ministers and intercessors pray for the representatives throughout each day.

TOGETHER WE ARE REACHING

Responding to Hurricane Ida

You helped respond to the devastation caused by Hurricane Ida on Aug. 29, 2021. The KCM/EMIC Relief Team joined with other ministries to send trucks loaded with supplies and food to distribute to those in need. We fed approximately 1,000 people per day. We supplied workers with food and water, and distributed generators to those in the most critical condition.

Our team received an urgent call from a KCM Partner in Louisiana whose community was in desperate need of help. With your support, we were able to send a 26-foot box truck filled with food, water, generators and air conditioning units to the town of Hammond—glory to God!

In total, we visited KCM Partners in 27 cities throughout the New Orleans area with a total of 134 Partner visits. We assisted with 15 Partner homes, including flood cleanup and mold removal.

Thank you, Partner, for your financial support of our Relief Team. TOGETHER, we are making an impact on lives spiritually, emotionally, physically and financially!

Mobilizing Following Tornado Outbreak

Severe weather and deadly tornadoes attacked the Southern United States and Ohio Valley, Dec. 10-11, 2021. The KCM/EMIC Relief Team went to work locating our Partners and Friends in the various areas and assessing needs. We assembled self-sufficient, boots-on-the-ground teams to minister directly in affected areas. We also partnered with Operation Blessing. As we move into 2022, this project is ongoing.

Partners Helping Partners

Partners Elliott and Angela Thomas discovered that their home sustained substantial roof damage and flooding. The KCM/EMIC Relief Team members were able to assist them with removing their belongings and moldy drywall. We spent 1 1/2 days at their home. It blessed Mr. Thomas so much he wanted to join our team and help us the following day. The next morning, we met Mr. Thomas at another Partner's home. He helped us remove flooring, drywall and cabinetry from their home. It was truly a blessing to have Partners helping Partners!

Evangelism

Partner, your giving makes evangelism possible! KCM's Minister of Evangelism, Riley Stephenson, empowers believers all over the world to share their faith effectively. His training includes attendees at KCM events and our Kenneth Copeland Bible College® students.

At the 2021 Southwest Believers' Convention alone, 183 Partners were trained, representing 60 churches from 29 states and three countries! Their local efforts that week resulted in 514 salvations, 150 healings and 103 Baptisms in the Holy Spirit. TOGETHER, we are reaching the lost with the good news of Jesus Christ!

Evangelism Testimonies

What I learned from class is that no matter what I think about whether a person receives once we have prayed for them, the Word of God does not return void."

Rescuing Christians in Afghanistan

In August 2021, U.S. military forces withdrew from Afghanistan after a 20-year occupation. As a result, heavily armed Taliban fighters overtook the city of Kabul, leaving tens of thousands of people, including highly targeted Christians, stranded in the city and their lives in grave danger. In conjunction with the Nazarene Fund, and through a strategically coordinated rescue effort orchestrated by Glenn Beck and his team, KCM sent an aircraft to an undisclosed Middle Eastern country near Afghanistan to effect the successful rescue of 5100 Christians from Kabul. YOU made this mission possible!

Prison Ministry

KCM's outreach has always included impacting the lives of the incarcerated with the truth of God's Word. Our longstanding relationship with Mike Barber Ministries has carried on the passion Kenneth and Gloria Copeland have for reaching those in prison with integrity, love and unwavering faith.

TOGETHER, Partner, we reached the incarcerated with the love of God in 2021!

Prison Testimonies

[In] a maximum-security prison, we deal with a lot of violence...on a regular basis. The chapel is the only sanctuary they [inmates] have. The Bibles [from KCM] and *From Faith to Faith* devotional books are vital. I hand out one of each to every new inmate. Thank you for all your ministry does for the kingdom of God."

I will bless those who bless you, and whoever curses you I will curse; and all peoples on earth will be blessed through you.

—Genesis 12:3 (NIV)

On Nov. 7, 2021, representatives from Keren Hayesod United Israel Appeal flew from Israel to join us for our Sunday service at EMIC to personally thank all our Partners for their support of Israel and the Jewish people. During that service, Keren Hayesod presented Pastors George and Terri Pearsons with “King David’s Harp” as a special thank-you for helping the Ukrainian Jews return home.

Bringing Ukrainian Jews Home to Israel

TOGETHER—KCM, EMIC and YOU—we were part of the fulfillment of the prophecy in Isaiah 11:12 and Jeremiah 31:10 to help Jews make Aliyah, which is the relocation to their homeland. With your prayer and financial support, we were able to take part in bringing a whole planeload of Ukrainian Jews home to Israel in 2021!

On Oct. 6, 2021, we teamed up with Keren Hayesod United Israel Appeal and The Jewish Agency for Israel to bring 120 immigrants from Ukraine to Israel. The much-anticipated Aliyah flight arrived at Ben Gurion International Airport in Tel Aviv, where they received a warm welcome home from supporters. These new immigrants are now being integrated into a variety of Jewish agency absorption and education programs throughout Israel and are learning the Hebrew language to give them the best start possible in their new lives.

Partner, because of your support, you are now partakers of the Genesis 12:3 BLESSING!

TOGETHER WE ARE IMPACTING THE WORLD

“In the midst of global panic and confusion, KCM global offices and staff found innovative ideas to continue ministering. We even increased the level of ministry to our Partners and Friends around the world. We’ve received countless testimonies of God’s goodness manifested. With the majority of countries limiting church services, our online content—and especially VICTORY Channel™—became a life source and a ‘beam of hope.’ We saw our global online audience almost triple since the end of 2019. In spite of the enemy’s attack, I believe we, along with our Partners, emerged stronger in our faith and dependency on God than before the pandemic. JESUS IS STILL LORD!”

CANADA

2021 HIGHLIGHTS

In a time when many businesses and organizations are cutting back, we were able to increase our staff count by 20%! There is a growing need for ministry in Canada, and now we are able to minister more effectively.

We were also able to build a studio in our building. Our studio will be used to produce audio and video content in the coming years to deliver the Word of Faith to Canada and beyond.

“Even though 2021 was a year filled with challenges and uncertainties, it’s been our best year yet! Thank you, Partners, for your prayers and support!”

—Joe Weiss,
Director of KCM Canada

Partner Testimonies

I sent in a prayer request a couple of weeks back. I’ve been using the scripture confessions you sent. I just returned from the specialist who was concerned that I may have cancer. Today, he said to me, ‘Praise Jesus! You have no cancer and no tumor markers.’”

AUSTRALIA/ASIA PACIFIC

No matter where you live in the world, KCM has an office with staff members who understand your needs and are ready to minister to you in a personal way. The KCM Australasia office is located in Brisbane, with 18 staff members who faithfully serve the region.

In 2021, when churches in the Great Southland were closed by government mandate and strict travel restrictions were implemented, KCM Australasia stepped up efforts to reach believers and nonbelievers alike with the Word of God. We increased engagement through digital ministry, hosted prayer webinars, and introduced new modes of communication. We stayed connected and kept the Word of God flowing throughout the region.

2021 HIGHLIGHTS

Our Prayer for Families series on Instagram featured confessions and prayers of authority. We commanded heaven to pour wisdom into mothers and fathers, peace into blended families, and strength into marriages that need renewal.

Our Reawaken Now webinar enabled us to engage with believers in the region in real time while standing together for a great awakening. When India was under attack,

we pressed into the promises of restoration and divine healing and health to break the enemy's stronghold.

Our prayer ministers pressed into outreach this season. As Australians faced lockdowns and other restrictions that often led to isolation, we called our Partners for personal ministry and prayer.

With many who were unable to call in for personal ministry, we introduced WhatsApp to our online communications, which allowed for personal outreach via real-time texts. Our social media presence continued to grow in countries like India, the Philippines and Papua New Guinea.

"As strict travel restrictions were implemented and policed, Brother Kenneth's word of the Lord was the foundation of our authority to remain bold in our victory over the pandemic. The Holy Spirit roared within us, and we obeyed the unction to pray for divine restoration over every corner of this region."

“One of the things I’m so thankful for is the impact that God allowed us to continue to make in Africa. This time last year, we were deep into the pandemic. Although the doors of the physical church building were

closed, the devil just couldn’t stop the forward progress of the real Church, which is God’s people. God has blessed us tremendously and allowed us not just to stay together as Covenant Partners, but to thrive and flourish.”

AFRICA

Virtual Leaders’ Connect meeting

March 2021

Three times each year, KCM Africa brings together ministers in the fivefold ministry for a time of encouragement and fellowship. With continued restrictions on gathering, we chose to reach further with this meeting than ever before by going virtual from Nigeria to Kenya and all the way back to South Africa. We were blessed to meet again—in person—for Leaders’ Connect in November.

Outreach

South Africa experienced rioting and looting in the KwaZulu-Natal and Gauteng provinces. During this violent period, entire malls, warehouses and hundreds of businesses were destroyed. The aftermath left thousands of people without access to food or other necessities. KCM Africa—TOGETHER with our Partners, Lighthouse Family Church and a local retailer—packed three trucks full of food to distribute to the areas where food shortages had reached critical levels.

Partner Testimony

There are no words to express our gratitude for the prayers from KCM Africa. The impact you have made on us through our covenant partnership is hugely and immensely appreciated—and undeniably evident. We have seen the Word become flesh as we listen to the teachings of Brother and Sister Copeland and apply them in our daily lives. Thank you for the tremendous mark you are making in our lives, ministry and business. Jesus Is Lord.”

EUROPE

KCM Europe includes an office both in the United Kingdom and Germany. Between the two offices, they service Europe, North Africa and the Middle East.

2021 HIGHLIGHTS

During 2021, KCM Europe increased our prison ministry by connecting with more inmates and chaplains. We increased our contact by sending physical newsletters with free KCM teachings. Inmates have responded with their appreciation for our ministry throughout this year.

2021 was the Year of the Local Church. It was an exciting year for us to minister directly to our pastors and leaders through live virtual events. Rick Renner, Dr. Jerry Savelle, Dennis Burke and Pastor George Pearsons each helped encourage those in leadership.

We offered a great selection of free digital products and created online courses that complimented the teaching of Brother Copeland's monthly Partner Letter. These products and courses were designed to take people from the milk to the meat of the Word!

"Our Partners have continued with their generous support of KCM Europe throughout 2021. Seed has been sown into ministries connected with KCM Europe and individual Partners, supporting their needs through this challenging time."

—Martin Hawkins,
Director of KCM Europe

Partner Testimony

I was homeless. I called KCM Europe for prayer, as I am a Partner with KCM. Praise the Lord! The Lord gave me an accommodation in a miraculous way. He made a way where there was no way for me to have a place to live. PRAISE THE LORD."

UKRAINE

2021 became a year of unprecedented financial growth. All this at a time when entire sectors of the local economy suffered severe downsizing and thousands of people lost their regular income due to the pandemic.

In 2021, we provided KCM Partners and Friends a new platform for online giving that works globally. We added to it an important option for Ukrainian Partners to give through cash terminals across the country; this has never been available.

2021 truly became the Year of the Local Church for KCM Ukraine. We have conducted special teaching sessions, youth events and conferences in four different locations, hosted by KCM Partner churches in Western, Central and Eastern Ukraine.

“Despite COVID-19 and several national lockdowns, KCM Ukraine didn’t stop its activities for a single day. By using modern technologies, KCM Partners and Friends continued to receive fresh food of the Word of God every day. They faithfully supported KCM Ukraine with their prayers and finances. We didn’t receive a single panic report from our Partners during this whole period. We did receive a few prayer requests to agree with them about getting a new job. Praise God for many testimonies about healing and supernatural provision.”

—Volodymyr Kolesnyk,
Director of KCM Ukraine

Partner Testimony

“I was in a car accident and came back to my senses in my hospital room. Because of the injuries I couldn’t open my eyes. I prayed to God, and I saw in a dream the Lord Jesus by my bed. I asked Him what to do, and He told me to lay my hand on my eyes. After I did it, I was able again to open my eyes. Then, I saw a doctor and other patients in my room. The doctor told me: ‘You’ve been talking to Jesus. He made you alive and restored your sight.’ I’m reading the *BVOV* magazine all the time.”

Colombia 2021 Victory Campaign

Bogota, Colombia | June 2021

"Colombia will become spiritually THE GREAT COLOMBIA once again. As much as we are seeing the damage at our southern border caused by illegal immigration, Colombia in turn will train believers who will migrate northward and spread revival across Central America and the USA through our southern border."

—Kenneth Copeland, June 20, 2021, Bogota, Colombia

TOGETHER WE ARE TEACHING THE WORD

KENNETH COPELAND BIBLE COLLEGE®

Higher Education With a Faith Foundation

2021 marked another year of faith, integrity and excellence at Kenneth Copeland Bible College! Students from 15 states graced the halls of the campus with a hunger to grow in faith and become equipped to impact the world. KCBC also celebrated the second graduating class—the Class of 2021—as we sent 57 new graduates out into the world to pursue their calling!

Each one of these students is an available voice with the potential to impact millions of people with the uncompromised Word of Faith! TOGETHER, with your support, we are teaching students how to use their faith to live victoriously in ministry and touch lives that will impact the world for generations to come.

KCBC launched a NEW Student Scholarship Program offered to both incoming and current students. These merit-based scholarships were a blessing to many! Scan here to learn more about the scholarship program.

What's New at KCBC

The KCBC Audit Program allows nonstudents to take one class at a time in any subject, including Prayer, THE BLESSING, the Authority of the Believer and more!

The KCBC Community Education Series offered four courses over the summer to the general public on various subjects, including The Art of Prayer, Fit for Life, The Church's Role in Politics and The American Journey. More than 1500 students were in attendance!

Student Testimony

My mother was so touched by what I was receiving through KCBC that she is registered to attend for fall of 2021! I am the first in my generation in my family to graduate from college and the first in my family to graduate from Bible college! I am walking away from KCBC with way more than what I initially expected to receive when I registered in 2019."

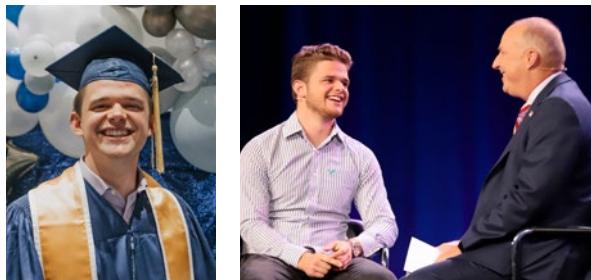

—E.N.

Where They Are Now

Our KCBC alumni are accomplishing great things!

Michael Carmack and Yvonne Sipp-Pinnock founded Community Hope Villages International—a ministry dedicated to restoring hope to wounded warriors, first responders, EMTs and medical professionals.

Gabriel Poirot is a social media influencer for Jesus, with 1.7 million social media followers! He was featured on the *Fox & Friends* news program and leads evangelism efforts in Times Square in New York City.

TOGETHER WE ARE EXPANDING

In February 2021, Texas experienced winter storms with extreme cold temperatures. Pipes burst at the Kenneth Copeland Ministries headquarters, resulting in millions of dollars in damage to our buildings and equipment. Per the Lord's direction, we are now positioned at the "Golden Gate Bridge" of opportunity to **repair** what we can, **replace** what we should, and **expand** for the future!

Our main goals for Phase 1:

- All buildings fully operational
- Headquarters remodeled and furnished
- Landscaping replanted
- New power plant online
- Make campuswide upgrades.

Because of your giving, we are getting the job done!

And this is only the beginning! The *expand* part of our initiative, most of which will be coming in Phase 2, will position us for the good works the Lord has called us to accomplish in the future. We are excited for what is to come!

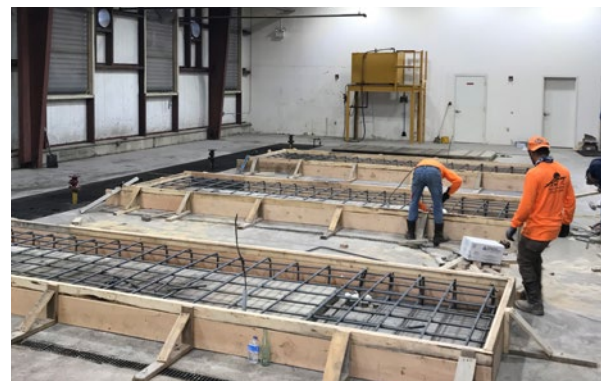

We are standing in faith for the same things for you—that He will equip and position YOU for the good works He has called YOU to.

When our maintenance manager was initially surveying the damaged buildings and broken equipment everywhere, the Lord told him to continually confess, "It's not as bad as it looks!" Almost immediately, we saw the hand of the Lord begin to turn things around.

Wherever you see discouraging situations, that same word belongs to you. We're Partners! Declare it just as we are, "It's not as bad as it looks!"

Then, thank the Lord for all He is doing, and praise Him for what He is about to do through this ministry and in your life to make repair, replace and expand.

There's still time to sow
your seed into *Repair,*
Replace, Expand!

2022—THE YEAR OF
*CORRECTION, DIRECTION
PROTECTION & PERFECTION*

2022 Words From the Lord Through Kenneth Copeland

“Surely the Lord God will do nothing without revealing His secret to His servants the prophets.” —Amos 3:7 (AMPC)

2022 is the year of correction, direction, protection and perfection—in spirit, soul and body, in finances, churches and government.

In 2022, it ALL belongs to you!

In 2022, you WILL know what to do!

What a powerful word!

Brother Copeland has also spoken by the Spirit that you *have the greatest coming year in all of your life because 2022 is going to see some things happen that you know should have come to pass a long time ago.*

Glory to God! We're believing with you for the best year you've ever had!
